Readers' Choice at 16: Once again, our neighbors are the experts

Welcome to The Morning Call's 16th annual
reader-selected 'best-of' Lehigh Valley businesses.

Predating the rise of the Internet, our Readers' Choice poll was about combing the region for the best that the Lehigh Valley has to offer. We trusted our neighbors to tell us a good place to eat, where to take visitors from out of town, or what gym or pet groomer to use. As we expanded the list of categories over the years (305 categories were listed online, and now in the pages of this section), we also realized that crowdsourcing has the ability to provide solutions to businesses – to know that their new products, refined services, new menus, advanced technologies, or overall atmosphere and customer service are working for their customers. This concept has expanded to nearly every facet of business and society.

The crowd – our readers, you Lehigh Valley citizens – challenge and change everything that businesses do, and how they do it. Businesses thrive because you demand excellence. In return, your patronizing of these businesses allows them to continue keeping their doors open: Mom & Pop hardware stores, family-owned veterinary practices, young electricians just starting their own businesses, and long-trusted care facilities for our aging population. The trust between a successful business and its clients is a special thing.

We hope you find this list useful all year long as a reference to the businesses that your family, friends, neighbors and colleagues are frequenting the most – and for good reason. One of the things that makes the

Lehigh Valley unique is that despite its size, there is plenty of connectedness. Yes, we may go online to cast our Readers' Choice polls. Yes, we may rely on online reviews to tell us who's getting it right. But when we choose how and where to spend our time and money locally, we still turn to the trusted opinions of our local network.

This is what makes The Morning Call's Readers' Choice issue valuable. You are getting the inside scoop from longtime (or even lifelong) Lehigh Valley citizens: residents of Allen, Allentown, Bangor, Bath, Bethlehem, Catasauqua, Coplay, Easton, Emmaus, Forks, Fountain Hill, Hanover, Hellertown, Macungie, Nazareth, Northampton, Palmer, Pen Argyl, Plainfield, Roseto, Salisbury, Saucon, Tatamy, Whitehall, Williams Township, Wind Gap, and other municipalities in between. Because sometimes your neighbors are the experts.

We thank our loyal readers for their participation once again, and we thank the businesses on each of these pages for continuing to make the Valley a vibrant, growing, exciting place to live and work.

Thank you,

Jim Feher
Vice President of Advertising

THANKS FOR VOTING!

The Morning Call thanks all those who cast their votes in our 2019 Readers' Choice poll – this wouldn't have happened without your support.

A discerning group

With your vote, you picked the best the Lehigh Valley has to offer and the folks who are the best at what they do. You recognize a job well done and now the whole Valley will know which businesses are customer favorites.

Deserved recognition

The Morning Call congratulates all the winners of this year's Readers' Choice Awards. It's proof that you take care of your customers, and your fantastic work is recognized.

HOW TO CLEAR YOUR MIND IN

10 MINUTES OR LESS

TAKE A WALK

Energize your body while giving your mind a break. Meditate by brushing away thoughts and embracing sensations instead.

JUST DANCE

Put on your favorite upbeat song and dance like nobody's watching. Let go and get silly! You'll feel a revived sense of energy and enthusiasm for life.

BREATHE DEEP

The power to de-stress is right under your nose. Close your eyes and take several deep, belly expanding breaths. You'll feel instantly relaxed.

LAUGH

Whether it's seeing a funny video or joking with a friend, the simple act of laughing will invite a wave of endorphins to lighten your spirit.

Manors of the Valley offers first-rate Independent Living, Personal Care, Advanced Physical Care, and Memory Care.
